Some handy hints!

⚠ While all the ghostly residents are friendly and there's no gore, **Phantom Manor** has some mildly frightening content that might be perceived as too realistic for some little ones. As a parent or carer, you may need to ride it first to see if it's suitable for your child.

🏰 **Main Street, U.S.A.®** is a great spot for taking photos in front of the iconic Sleeping Beauty Castle. To get the best shot, we recommend Disney® Hotel guests take advantage of Extra Magic Time and make a stop here when the park opens.

🎁 Look out for unexpected character appearances throughout the Park. They're the perfect chance to get all the family in the frame (with your favourite character of course) to capture the moment forever!
